NATIONAL GREEN HYDROGEN MISSION

Cabinet approves National Green Hydrogen Mission with initial outlay of **Rs. 19,744 crore.**

Benefits

- Creation of export opportunities for Green Hydrogen and its derivatives

- Decarbonization of industrial, mobility and energy sectors

- Reduction in dependence on imported fossil fuels and feedstock

- Development of indigenous manufacturing capabilities

- Creation of employment opportunities

- Development of cutting-edge technologies

NATIONAL GREEN HYDROGEN MISSION

NODAL MINISTRY

- ▶ Ministry of New and Renewable Energy

OBJECTIVE

- ▶ Decarbonise energy/industrial/mobility sector
- ▶ Develop indigenous manufacturing capacities
- ▶ Create export opportunities for GH₂ and its derivative

COMPONENTS OF NGHM

- ▶ Strategic Interventions for Green Hydrogen Transition Programme (SIGHT)
- ▶ Strategic Hydrogen Innovation Partnership (SHIP) (PPP for R&D)

GH₂ is not commercially viable at present; current cost in India is around ₹350-400/kg. The National Hydrogen Energy Mission aims to bring it down under ₹100/kg.

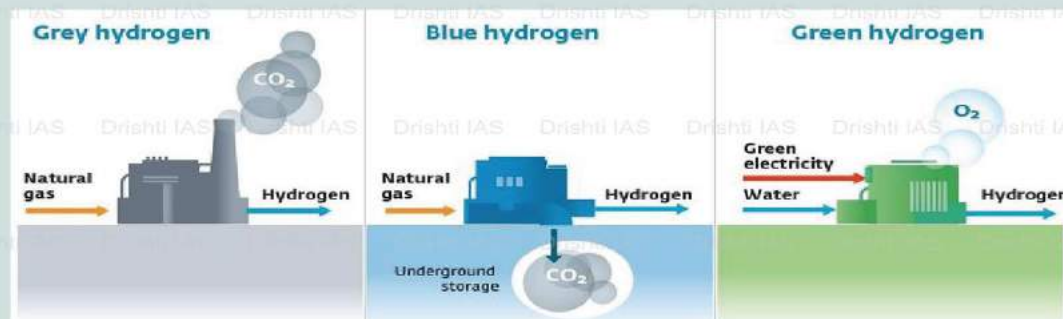

Expected Outcomes by 2030

- ◆ Atleast 5MMT GH₂ annual production
- ◆ Rs 1 lakh crore fossil fuel import savings
- ◆ 6 lakh jobs
- ◆ 50MMT CO₂ annual emissions averted
- ◆ ₹ 8 lakh crore investment

HYDROGEN AND GREEN HYDROGEN

Hydrogen is the most common element in nature but exists only in combination with other elements. It has to be extracted from naturally occurring compounds (like water).

Green Hydrogen (GH₂) is made by splitting water through an electrical process called electrolysis, using an electrolyser powered by renewable energy (RE).

Proposed New Industrial Policy

Seeks To Achieve

One Nation - One Standard

Time for Reboot

Govt starts work on new industrial policy, consultation paper floated

OBJECTIVES:

- Global linkages
- Competitiveness
- Growing Workforce
- Sustainability
- Tech adoption and innovation

OUTCOMES:

- **Leader** in green energy, manufacturing and tech
- **Smart** manufacturing
- **Cut compliance** cost, transaction time
- **Attract \$100-billion** FDI annually

JOBS WORRY:
Projected upward trends in automation leading to job losses

New Vision

Industrial policy aims to create Indian premium international brands

3rd industrial policy after 1956, 1991

Enabling Himachal
Empowering India's
Self-Reliance

Heartfelt thanks from
the people of Himachal Pradesh to
Narendra Modi
Prime Minister
for the landmark decision of according
'In-Principle approval' for setting up the
BULK DRUG PARK in HP (Becoming the
only Northern Indian State to get
this prestigious Project)

BULK DRUG PARK

with land parcel of 1405 acres
in Tehsil Haroli, Distt. Una

Distance from Bulk Drug Park

 National Highway 20.8 km |  Rail Head (Jaijon) 9 km |  Airport (Adampur) 49.8 km

*"The Bulk Drug Park will not only accelerate
the pace of industrialisation in the state but
will also generate employment opportunities
and thereby, leading to significant
boost in the prosperity of the region."*

Jai Ram Thakur
Chief Minister, Himachal Pradesh

Issued by:
Department of Industries, Government of Himachal Pradesh

BULK DRUG PARK SCHEME

To develop 3 (three) bulk drug parks in the country

Grant-in-Aid to State Govt. to develop Bulk Drug Park

World class common infrastructure to be developed in the park

70% of the project cost (90% in case of hilly areas) or Rs.1000 crore which is maximum (Area of each Park 1000 acres)

ADMISSIBLE COMMON INFRASTRUCTURE UNDER BULK DRUG PARK SCHEME

Solvent Recovery

Power and steam units

Distillation plant

Common effluent treatment plants, etc.

Establishment of Electronics Manufacturing Cluster

at Ranjangaon Phase-III, Pune

A step towards building a
comprehensive ESDM Ecosystem
in state of Maharashtra

EMC Area - 297.11 acres

Plottable area with
PnP facility - 200.05 acres
(plots as per industry demand)

Facility

- Multi-Model Connectivity infrastructure
- Ready Industrial Land @ competitive price
- 24*7 power supply with dedicated electric sub-station (20 MW)
- Water and Power provisions upto the plot size
- Administrative cum business centre

ELECTRONICS MANUFACTURING CLUSTERS (EMC) 2.0

Expanding the Footprint of EMC

at Pune, Maharashtra

to provide conducive ecosystem
for electronics manufacturers

Niti Aayog preparing Index for Agri Transformation

To Rank states on
7 parameters

Sowing the Seeds...

**NITI Aayog to rank
states on Agriculture
Transformation Index**

**Index will
have seven
parameters;**
all states
will be
assessed

**To help understand
impact of scheme
on farmers' income**

**Policy correction,
wherever needed,
will be made**

**Centre committed to
increasing farmers' income**

Parameters: Inputs, sustainability, productivity and diversification, policy, preservation, processing and exports, farmers' income and welfare

Earlier and Revised Definition of MSMEs

Earlier MSME Classification

Criteria: Investment in Plant & Machinery or Equipment

Classification	Micro	Small	Medium
Manufacturing Enterprises	Investment < ₹ 25 lac	Investment < ₹ 5 cr.	Investment < ₹ 10 cr.
Services Enterprise	Investment < ₹ 10 lac	Investment < ₹ 2 cr.	Investment < ₹ 5 cr.

Revised MSME Classification

Composite Criteria: Investment and Annual Turnover

Classification	Micro	Small	Medium
Manufacturing & Services	Investment < ₹ 1 cr. & Turnover < ₹ 5 cr	Investment < ₹ 10 cr. & Turnover < ₹ 50 cr.	Investment < ₹ 20 cr. & Turnover < ₹ 250 cr.

“The Economic Survey 2019-20 builds on India’s aspiration of #Economy@5trillion with its theme of #WealthCreation. This Survey provides evidence to show that ethical wealth creation is an important national service. Those who create wealth are India’s wealth! It integrates our old and rich tradition with contemporary evidence to emphasize that ethical wealth creation is a noble human pursuit. The Survey identifies two key pillars for furthering wealth creation in the economy – the invisible hand of markets supported by the hand of trust – and makes specific suggestions for job creation and wealth generation in the economy. I strongly recommend everyone to read the Survey and benefit from its ideas.”

**National Vehicle
Scrappage
Policy 2021
Launch by PM
Narendra Modi**

National Vehicle Scrappage Policy 2021

HOW PROCESS WILL UNFOLD

A vehicle older than 20 years, if found unfit or registration certificate is not renewed, will be de-registered

Registered owners to hand over such vehicles to a Registered Vehicle Scrapping Facility with certificate of the vehicles' registration, their PAN details, and other documents

Scrapper to verify records of the vehicles from database of the stolen vehicles and issue a Certificate of Deposit, mandatory for the owner to avail incentives

The certificate once used will be stamped "Cancelled" by the agency

Government will maintain a database of the vehicles scrapped every year

INCENTIVES FOR VEHICLE OWNERS

Scrap value:
4-6% of ex-showroom price of new vehicle to be given to the owner by the scrapping centre

Tax rebate:
States may be advised to offer a road tax rebate of up to 25% for personal vehicles and up to 15% for commercial vehicles against

Discount on new vehicle:
Vehicle manufacturers will be advised to give 5% discount on new vehicles against a scrapping certificate

Fee waiver:
Registration fees may also be waived for purchase of new vehicle against the scrapping certificate

India's Proposed Scrappage Policy

WHEN WILL THE VEHICLES BE DEREGISTERED?

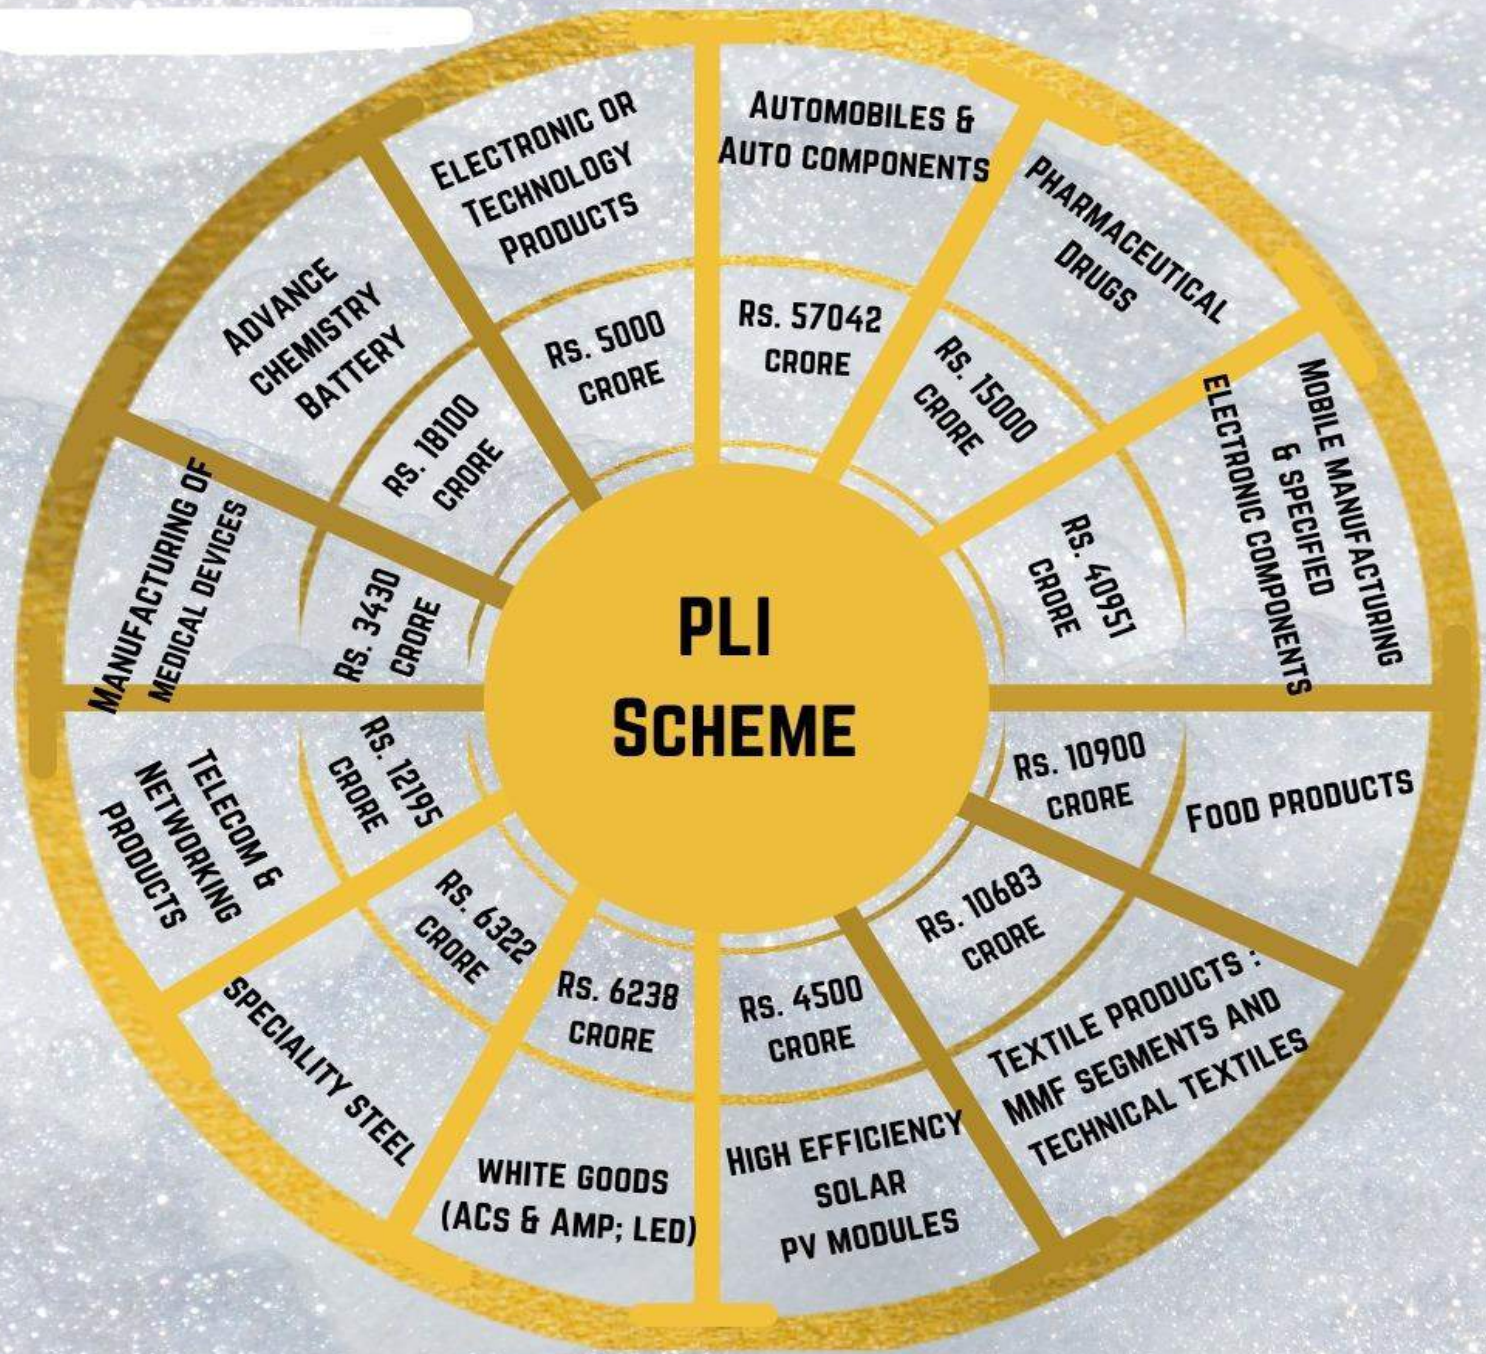

Commercial vehicles in 15 years

Private vehicles in 20 years

INDIA'S INFRA PUSH

The government has announced a National Monetisation Pipeline to monetise brownfield assets and push infra spending without straining its finances

4-YEAR PLAN TO LEASE OUT GOVT ASSETS SUCH AS ROADS AND RAILWAY STATIONS TO PRIVATE SECTOR

NEED TO INCREASE PUBLIC EXPENDITURE: This entire plan is talking about brownfield assets... where there is a completed asset which is languishing, not fully monetised, or under-utilised, said finance minister Nirmala Sitharaman

Nirmala Sitharaman,
Finance Minister

Govt working on policy for auction of salt land to private players

The Department for Promotion of Industry and Internal Trade (DPIIT) is working on formulating a policy for auction of salt land to private players, according to PTI sources.

The department had received requests from different ministries, departments, state governments, central and public sector enterprises for transfer of land owned by the Government of India through the Office of the Salt Commissioner, at places other than Mumbai and its suburbs, for public purposes.

Spreading Out

6 lakh acres

Salt pan land in the country in total, half of which is salt producing

Govt to dispose of over **61,000 acres** of salt pan land it owns in the country

- ▶ **It controls manufacture**, supply and distribution of salt
- ▶ **The Salt Commissioner's** organisation manages departmental lands spread across nine states
- ▶ **DIPP is proposing** transferring of salt land to departments such as ports, renewable energy
- ▶ **It may be sold** to central public sector units at market rate

Salt production does not require govt intervention. The salt cess has also been abolished...However we are saddled with the land and the staff managing it. A comprehensive proposal is being drafted to deal with this issue for the cabinet to consider

INTRODUCTION

Technical textiles is the emerging area for investment in India. The potential of technical textile in India is still untapped. Technical textiles represents a multi-disciplinary field with numerous end use applications. The production of different items of technical textile industry has been slowly but steadily increasing in the country. However there is lack of information regarding the status of the technical textile industry . The awareness on technical textiles among prospective entrepreneurs and consumers is very less. Hence entrepreneurs require details like market size , domestic and global scenario of technical textiles, details of govt schemes, list of existing technical textile manufacturers, importers and exporters , details of technical textile machinery manufacturers, etc. There is a need for an exclusive website for technical textiles.

This website endeavours to provide all the above information at one place.. This website apart from providing above details will also link all the stake holders at one place and also provide link to all Centres of Excellence of technical textiles and will be one stop shop for accessing

Technical Textiles: Such textile production which is aimed not only at fabric production but also at creating products which could be used in the industrial, defence, research and other advanced sectors due to its specialized technical properties. These products are classified into following categories based on their quality and end use:

- (1) Agro tech,
- (2) Build tech,
- (3) Cloth tech,
- (4) Geo tech
- (5) Home tech,
- (6) Ind tech ,
- (7) Medi tech,
- (8) Mobile tech,
- (9) Echo tech,
- (10) Pack tech,
- (11) Pro tech (Protectivetextile)
- (12) Sport tech,
- (13) Defence tech,
- (14) Products announced by Textiles

Ministry of Central Government from time to time.

Govt. announces launch of Mega Investment Textiles Parks (MITRA) scheme to make Indian textile industry globally competitive

- The Government has proposed a scheme of Mega Investment Textiles Parks (MITRA) to enable the textile industry to become globally competitive, attract large investments, boost employment generation and exports.
- Presenting the Union Budget 2021-22 in the parliament today, Union Finance and Corporate Affairs Minister Smt. Nirmala Sitharaman said that this will create world class infrastructure with plug and play facilities to enable create global champions in exports.
- MITRA will be launched in addition to the Production Linked Incentive Scheme(PLI).

Mega Investment Textiles Parks (MITRA)

Textile - Mega Investment Textiles Parks (MITRA)

Aims at making Textile Industry:

- 1. Globally competitive**
- 2. Attract large investments**
- 3. Boost employment generation & exports**

Main features:

- To create a world class infrastructure with plug and play facilities to enable create global champions in exports**
- 7 Textile Parks will be established over 3 years**

Pradhan Mantri Kisan SAMPADA Yojana

Government of India (GoI) is implementing Pradhan Mantri Kisan SAMPADA Yojana (Scheme for Agro-Marine Processing and Development of Agro-Processing Clusters) with a view to create and develop agro-processing clusters in the country of Food Processing Industries.

PM Kisan SAMPADA Yojana is a flagship scheme of the Government of India. It will not only provide a better market for farmers' produce, but also help in providing better process to farmers and is a big step towards doubling of farmers income, creating huge employment opportunities especially in the rural areas, reducing wastage of agricultural produce, increasing the processing level and enhancing the export of the processed foods.

Print

Pradhan Mantri Kisan SAMPADA Yojana (Scheme for Agro-Marine Processing and Development of Agro-Processing Clusters) is a flagship scheme of the Government of India. It is implemented from 2014-15 to 2020-21, which is coterminous with the 14th Finance Commission cycle. The scheme will be implemented by Ministry of Food Processing Industries.

Downloads

The scheme is aimed at the creation of modern infrastructure with efficient supply chain management from farm gate to retail outlet. It will not only provide a better market for farmers' produce, but also help in providing better process to farmers and is a big step towards doubling of farmers income, creating huge employment opportunities especially in the rural areas, reducing wastage of agricultural produce, increasing the processing level and enhancing the export of the processed foods.

CLASSIFICATION OF AREAS FOR PSI-2019

For the purposes of the PSI- 2019, detailed Taluka wise classification of different areas of the State as Group, A /B/ C/ D/ D + etc., on the basis of their level of industrial development is as follows –

Group A

➤ Denotes Industrially developed areas.

Group B

➤ Denotes Areas where some industrial development has taken place, but are less developed than the areas under Group A.

Group C

➤ Denotes Areas, which are less developed than those covered under Group B.

Group D

➤ Denotes the lesser-developed areas of the State, not covered under Group A Group B/Group C.

Group D+

➤ Denotes the least developed areas, not covered under Group A/Group B/Group C/Group D.

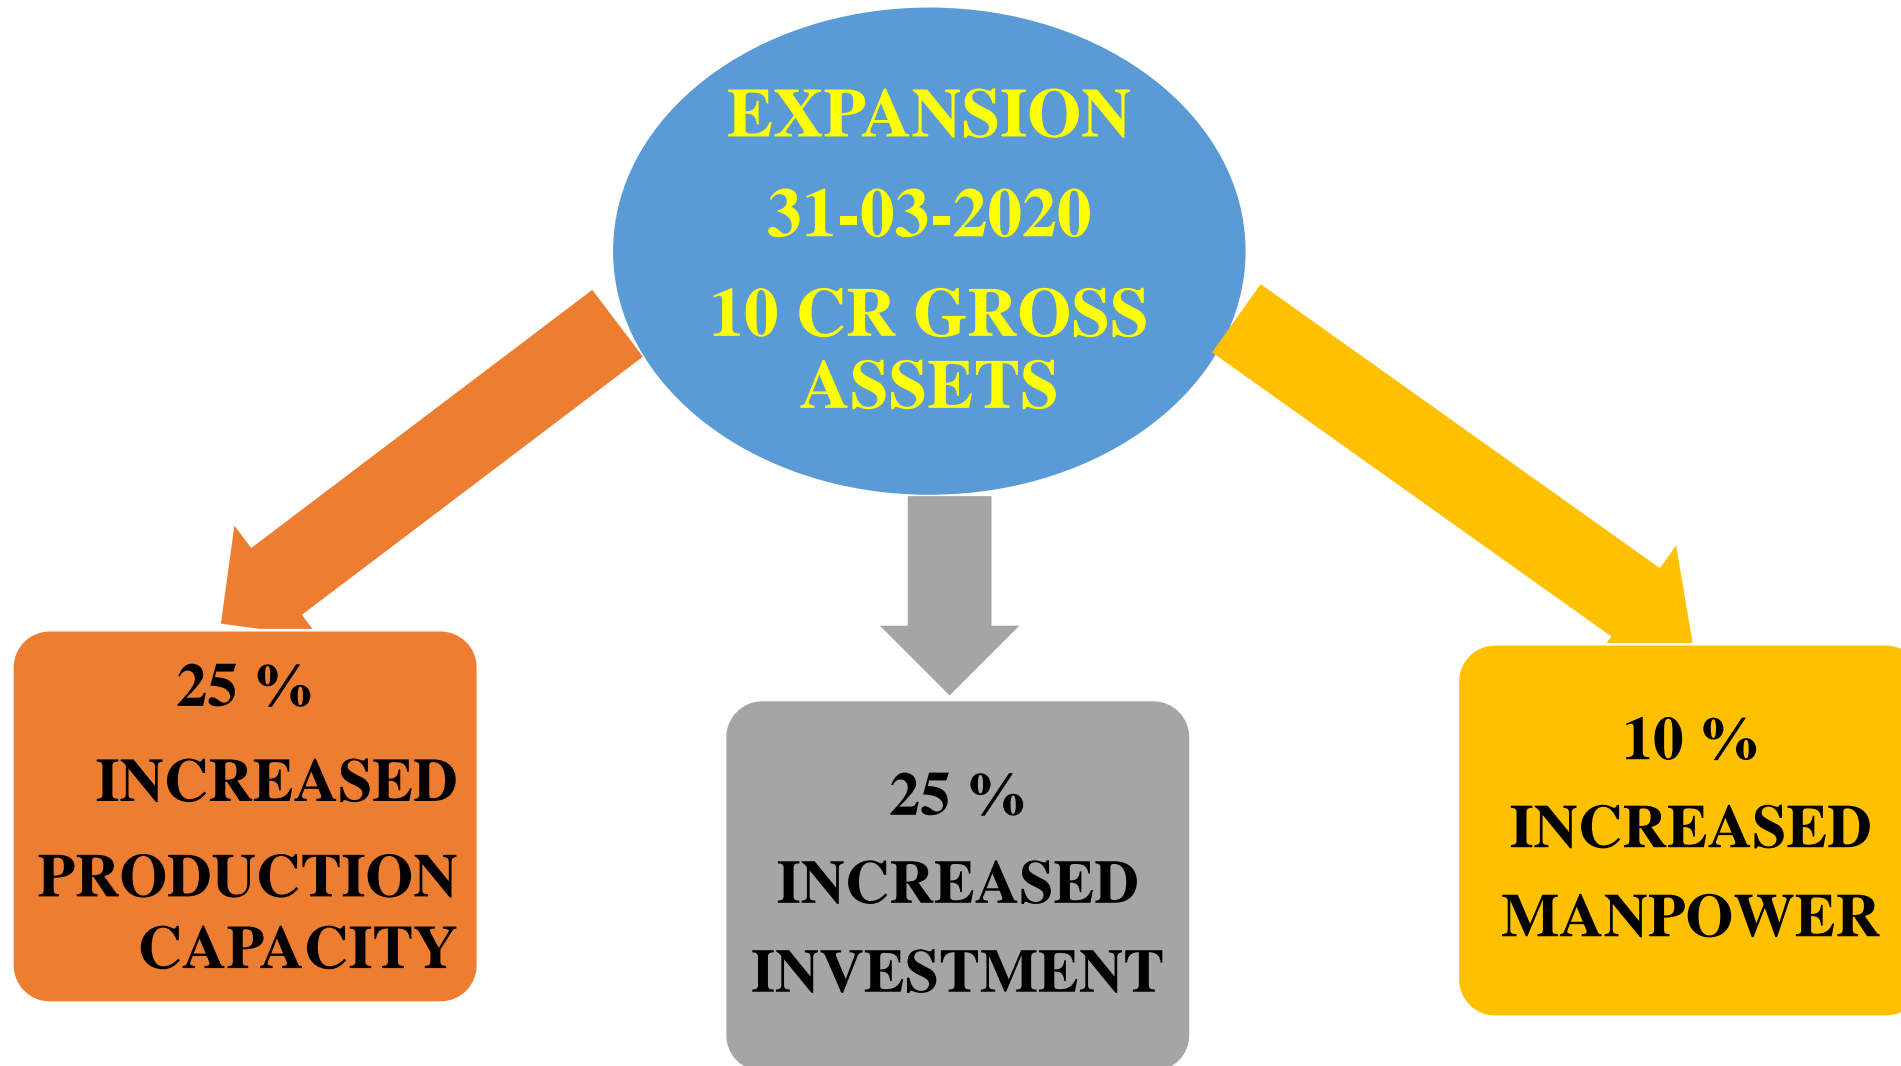

No Industry District

Denotes District having no industries and not covered under Group A / B / C / D & D+.

Naxalism Affected Area

Denotes Area affected by naxalism, as described in GR No NAVIKA-2008/C.R.209/Ka. 1416 Dated 31.5.2009.
